And What Have You

By BOB CRAIG

The Pipers will open District 7-A play this week with the Munday Moguls. And since this is the first time (at least in a long time) for Hamlin to play Munday we thought it might be well to mention a couple of things.

The Munday stadium is on the Knox City-Munday highway so if you go to Munday by way of Knox City you will go by it but if you go by way of Haskell you will need to turn left at the light in downtown Munday.

And for those of you who wonder what a Mogul is we offer the following definition we found in "Webster's Dictionary of Proper Names."

"Moguls (1526-1857) The Indian Muslim dynasty founded at Delhi by Babur, who claimed descent from Tamburlaine (hence the name, a corruption of 'Mongol'). Under Akbar (died 1605) and the last great emperor, Aurangzebe (died 1707), the Mogul Empire extended over almost all India. Thereafter their power was broken by the Mahrattas, although they ruled at Delhi until the last nominal emperor was deposed by the British."

A great deal has already been printed and said about the first debate held last Thursday between Jimmy Carter and Gerald Ford. We would guess that they came out about even since some polls show one ahead and other polls have the other one ahead.

(One thing for sure—the loss of sound for 28 minutes did not cause near as much trouble as did the loss of the Cowboy game on KRBC-TV Sunday)

Personally, we were not overly impressed with either candidate but this may have been more the fault of the panelists who asked the same old tired questions.

One of the best columns that we have read on the debates is one by Frank Baker of Fort Stockton. He did a column on the similarities and the differences between the 1960 Kennedy-Nixon debates and the Ford-Carter variety. His thoughts on the subject follow:

The opener in the current series resembles the 1960 slug-outs in these ways:

1. The Democratic candidate (Carter) is younger and handsomer than the Republican, as was 1960's Democrat (Kennedy).

2. Carter, like Kennedy, projects more charm and a more intellectual approach to the debate atmosphere—he uses bigger words

Additional Funds Being Sought for City Park

A drive has been launched this week to raise additional funds for the roadside park at the south edge of the city on Highway 83 and to reconstruct the Piper "mascot" destroyed by vandals before it was completely finished.

The park, located on a half-acre of land purchased by the city earlier this year from Mr. and Mrs. A. G. Miller, is one of the local Bicentennial projects.

Mrs. Robert Fowler, chairman of the local Bicentennial committee said this week that additional monies were needed to

complete the park. She said that she did not know what the total cost of the project would be at this time, but that a lot of work was still to be done.

Among the projects still to be completed, along with the rebuilding of the Piper, were concrete tables and benches, curbing and landscaping. She said that she was still hoping that the Texas Highway Department would be able to help in the landscaping.

Workers tried unsuccessfully this past week to repair the damaged Piper and decided that it would have to be rebuilt from scratch.

Anyone desiring to donate to the "Piper Park Fund" is urged to make their contribution to Joe Ford, Farmers and Merchants National Bank, Hamlin.

PRESIDENT'S SON—

Steve Ford May Visit Hamlin Next Week

Steve Ford, son of President and Mrs. Gerald Ford, is tentatively scheduled to bring his campaign to re-elect his father to Hamlin either Monday or Tuesday of next week.

Local community leaders were waiting for a telephone call Wednesday afternoon to confirm arrangements for the visit. Since no final arrangements had not been made at press time Wednesday it was not known which of the two days Ford would be in Hamlin and for how long.

Tentative plans were being made to schedule a barbecue dinner at the football field for Mr. Ford for all the area citizens who might be interested in seeing him on his trip here.

His trip to Hamlin is in response to an invitation by S. C. Ferguson, vice president of Farmers and Merchants National Bank, to speak to the local Lions Club. Ferguson wrote young Ford a letter Aug. 23 extending his invitation and received a letter from Mrs. Gerald Ford's appointment secretary dated Aug. 30, thanking him for his invitation but explaining that his schedule had not been firmed up at the time.

Ferguson said that when he received the letter he felt that was the end of the matter but then he received a telephone call Monday from Steve Ford's appointments

secretary saying that he had Oct. 4 and 5 open and might be able to work in a trip to Hamlin on one of those dates.

Another call came Tuesday saying that Hamlin was on his tentative itinerary which would be firmed up Tuesday evening. The only problem was transportation.

In the earlier telephone conversation the secretary talked in terms of Ford flying to Abilene and being met there and flying to Hamlin by charter flight. But in the second conversation, it was

pointed out that it was not possible to get a flight from San Antonio to Abilene and could a charter flight be arranged from San Antonio to Hamlin?

Firm arrangements for Ford's trip to Hamlin were to be made by telephone Wednesday afternoon with arrangements being made for a charter flight to pick up Mr. Ford in San Antonio and bring him to Hamlin.

The letter extending the invitation by Ferguson follows:

August 23, 1976
Mr. Steve Ford
White House
1600 Pennsylvania Avenue
Washington, D. C.
Dear Mr. Ford:

This letter is to extend to you a cordial invitation to our community of Hamlin in West Texas about forty miles Northwest of Abilene.

Our town has a population of approximately 3,200. We have a typical West Texas farming and ranching community. Our principal

GAME STARTS THERE AT 7:30—

Pipers to Open District 7-A Play With Munday

The Pipers will make their debut into Class A football this Friday night when they travel to Munday for their first District 7-A game. Kickoff for this and all other district contests is for 7:30.

The Pipers, who have played in Class AA until this year, will go into the contest with a 2-1 record while Munday owns a 2-0 record in non-conference play. Both teams were open this past week.

The two teams have not played a common opponent this season with Hamlin holding wins over Stamford (13-7) and Wylie (47-2) and a loss to Anson (20-19). The Moguls of Munday have defeated Seymour (21-6) and Rule (33-7) and tied Rochester (12-12).

All eight District 7-A teams open conference play this week with Knox City at Aspermont, Crowell at Rotan, Hamlin at Munday, and Paducah at Haskell. Munday leads in the season standings of the district teams with their 2-0-1 record while Aspermont, Haskell, Knox City and Hamlin all have 2-1 records. Crowell is 1-1 for the season and Paducah and Rotan have yet to win a game with 0-3 records.

In the only games played last week by district members, Haskell lost to Stamford, 28-20, and Aspermont lost to Spur, 20-9.

Munday, a team that runs out of the Houston set and the "I" formation, depends

primarily on their running attack and only have passed sparingly in their previous three games, according to the Piper coaching staff. The Moguls depend on their big 200 pound junior fullback, Robert Spells, to lead their running game. He has good speed and is a hard runner who has quickness for his size.

Joining him in the backfield will be senior quarterback Andy Haynie (145) who likes to run and can pass when he needs to. At tailback will be senior Robby Thompson (150) who is a hard runner and at flanker will be senior Mike Urbanczyk (175) who is the favorite receiver of Haynie. Urbanczyk is a tall receiver who has good hands and good speed.

Carrie May Elected FFA Sweetheart

Carrie May, daughter of Mr. and Mrs. J. B. May, has been elected as the Chapter Sweetheart of the Hamlin FFA Chapter for the 1976-77 school year. She will represent the chapter at various activities during the year.

Carrie is an active member of the Hamlin FFA Chapter. She is the current chapter president. She has been a member of judging and leadership teams and has exhibited poultry at the Hamlin Community Livestock Show. She has been a local winner in the National FFA Foundation Awards Program and has competed on the area level in this program. She has attended district, area, and state FFA meetings.

She also participates in the Hamlin High School Marching and Concert Bands. She plays the trumpet.

The split end will be junior David Kuehler (140) and the tight end will be sophomore Larry Welch (155). The Moguls will field a huge front line with tackles Y Rameriz (215-pound sophomore) and R. Q. Tolliver (200-pound junior). The guards will be sophomore Ronnie Phillips (165) and junior Dennis Dockins (165) and the center will be senior Sammy Alcala (170).

FIFTY YEARS AGO
(October 1, 1926)

The new brick hotel which is being constructed by E. R. Burns on Central Avenue, just north of the West Texas Utilities building is nearing completion, and will soon be open to the public. At present Mr. and Mrs. Burns have the twenty guest rooms which occupy the second floor, furnished and equipped in the most modern way. The lower floor which is not yet finished will contain the lobby and a spacious dining room where meals will be served both family and cafeteria style. This hotel will prove a nice addition to the town.

Football is in full sway in Hamlin High School and there is much interest being shown. The Pied Pipers defeated Knox City Friday, Sept. 24, the score being 20 to 2. The squad goes to Haskell Thursday, Sept. 30, and every one is invited to go over and watch Haskell get beat. The team needs the backing of the town and your presence will be highly appreciated. Help your home team to win all the games they play.

The Merry Madcaps Co. in the big Tent Theatre, who are playing this week under the auspices of the local fire department are pleasing the many people nightly. It is a really good company with a splendid band and orchestra. Friday night is the feature play, "For the Man She Loved," a sensational drama in four acts. A local Charleston contest will also be staged that night.

TWENTY YEARS AGO
(October 4, 1956)

Jackie W. Drummond has been appointed cadet captain and James C. Lain has been named sergeant first class in the Reserve Officers Training Corps at Tarleton State College of Stephenville.

Jackie, who is majoring in education, is the son of Mr. and Mrs. G. W. Drummond of Route 1, Hamlin, and is a member of the Wainwright Rifles and the honor guard of the cadet corps at Tarleton State. James, who is majoring in agriculture, is the son of Mr. and Mrs. J. C. Lain of Route 3, Hamlin.

Second good well of oil production close to the city limits of Hamlin in recent weeks was reported first of the week in a Canyon sand producer two miles north of town.

This week's discovery well was completed on the W. C. Matchett tract in northeast Fisher County.

For the second week in a row Coach Truman Nix's Pied Pipers seemed to get the bad breaks, and last weekend's fracas with the Rotan Yellowhammers resulted in a 14 to 14 tie that should have accounted for the fourth victory of the season. But those breaks are football—that's all.

Hamlin came through with the tying points during the last two minutes of play. Charles Jenkins' booting the extra points after the two touchdowns saved the Pipers from defeat.

With less than two minutes to play, the Pipers recovered a Rotan fumble on the Yellowhammer 12 and Herbert Lakey pushed over for the marker and Jenkins converted.

New officers for 1957 were named when members of the Friendship Home Demonstration Club met Friday afternoon at the oil mill guest house.

Elected were Mrs. Sol Branscum, president; Mrs. Ester Hastings, vice president; Mrs. M. S. Johnson, secretary; Mrs. Grady Smith, treasurer; Mrs. Homer Neal, council delegate; Mrs. Gean Witt, reporter; Mrs. Fred Young, recreation leader.

TEN YEARS AGO
(September 29, 1966)

The Hamlin Jaycee-ettes and Jaycees met Tuesday evening at the Lakeview Golf Club House for a chili supper.

Attending were Messrs. and Mmes. Johnny Jeffrey, Bill Early, Dan Truelove, Eddie Offield, Carl Weaver, Muri Don Smith, Ewell Mackey, James Eddie Jay and Speck Franklin.

Playing on a dry field for the first time, the Pied Pipers took to the air to score four touchdowns here Friday night, to smother the Cisco Lobos, 26-0. The Piper offense was aided by an alert defense that intercepted four Lobo passes and recovered two fumbles.

The Hamlin eleven scored on pass plays of 18, 65, 20 and 31 yards with Paul Long on the throwing end for the first three and Bob Clifton tossing the final TD pass. Joe Adams, Sammy Ferguson, Philip Simpson

and Lewis Shelton all broke into the scoring column as the receivers. Doug Carlton kicked two of the four extra point tries.

Four senior girls were nominated by their class to vie for the honor of Homecoming Queen in the upcoming celebration. They are Pam Holtz, Margaret Johnson, Helen Moore and Vicki Newland. The student body will vote on these nominees, and the Queen will be announced and crowned during halftime of the Hamlin-Clyde football game, Oct. 8th.

in a faster flow than President Ford (although nothing like as fast as Kennedy). Carter also has better eye contact with the television camera than Ford and projects somewhat better, as did Kennedy.

3. Carter is the cooler and less emotional of the two debaters, as was JFK.

The places where the similarities end and the discrepancies show up struck me this way:

1. Ford has much more organization of his arguments than Carter—and Kennedy was well ahead of Nixon in that area.

2. Ford speaks less intellectually than Carter, and thus in a more down-to-earth manner. Although somewhat less beguiling, he seems more genuine and has a more "down-to-earth" image—a distinct advantage in this campaign. Nixon never seemed down-to-earth or at ease with the audience. Ford does.

3. Nixon as an incumbent elected vice-president in the popular Eisenhower administration had everything to lose and nothing to gain by entering into debate with the lesser-known Senator Kennedy. He started the debates ahead and ended them behind. Ford started out better known than Carter, too, but he was not elected to either the vice-presidency or the presidency, so he has less to lose by head-to-head confrontation than did Nixon. He also was running behind Carter in the polls before the debates, and undoubtedly will begin to catch up more and more. He also has to make a lot of people forget they ever heard of Ronald Reagan—and he's doing a good job of that.

Our picks for the best arguments of both men read like this:

1. Ford's bests were the comments about how much the expense of Georgia's state government rose after Carter got through reorganizing and streamlining it, and his catching Carter in error when he tried to portray Ford as the champ in a number of vetoes for all time (lots of presidents used many, many more).

2. Carter's bests were when he jabbed Ford about his current desire to give Americans a tax cut ("Mr. Ford takes the same attitude Republicans always take in the last three months before election...they always fight for the programs they're against for the other three years")—AND when he reminded the President that he's not part of that awful Democratic congress Ford tried to blame for all his troubles—and that Ford was in fact part of the Nixon administration.

The Church Building

This is only a building, but it is a special building for it is the worship place for God's people. It is a place where one may go to study and hear God's word preached.

"...faith cometh by hearing, and hearing by the word of God."

If there are unanswered questions in your mind...go...seek...and find God in his house

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

MAY VISIT HERE—

crops are milo and cotton and farm land accounts for about one-half of our trade area. The other half includes ranch land on which we run Hereford and Angus cattle with beautiful quarter horses around on various ranches. We believe we are one of the friendliest communities around with a large number of young married couples residing here. We feel this is a complement to our town.
We would like for you to be a guest of our local Lions Club which meets for a noon luncheon every Tuesday. We also feel this would be politically advantageous to your father aside from our just wanting you to visit us.
We again extend our

MOVING TO KOUNTZE— Giddings Resigns As Minister Here

David Giddings, who has resigned as minister of the Hamlin Church of Christ, will be in the pulpit for services Sunday before moving to Kountze.

Mr. Giddings, minister here for three years, will become minister of the Church of Christ at Kountze. He and his wife, the former Sue Eddleman of Gustine, moved here in November of 1973. They have two children, Jennifer, 5, and Douglas, 3.

During the three years the bonds on the building were paid off and the large parking areas were paved. Landscaping and lighting are yet to be done on the lots.

Mr. Giddings has also finished classroom requirements for a master's degree and is in the process of writing his thesis. A graduate of Fort Worth Christian College, he received a BA in history from the University of Texas at Arlington. His work on the master's degree has been at Abilene Christian University, Abilene.

Mr. Giddings said that several good things had

happened while he had been with the church. "The greatest things have been the changes witnessed in the spiritual lives of the individuals who are members of the church. Ten have been baptized into Christ...and others have re-dedicated their lives to God and become more effective as servants for the Lord," he said.

"Last week, one of the greatest revival meetings in the history of the church was held. The spiritual renewal that took place during that week will help the church move forward in a great way in the future," he added.

"My family and I have grown to love so many in Hamlin in the last three years," Mr. Giddings said "and we appreciate all the nice things so many have done for us."

The Giddings moved here from Palmyra, Mo.

A committee is seeking a new minister for the church.

BOY SCOUT NEWS

Hamlin's Boy Scout Troop 143 captured one first, two second and two third place patrol ribbons at the Fall Camporee-Scouting Olympics of the Chisholm Trail Council near Fort Phantom Lake northeast of Abilene this past weekend.

Scoutmaster Sammy Ferguson and assistant Jerry Gooch camped out with the 36 boys as they left Hamlin at 5 Friday evening and returned Sunday before noon.

Saturday's patrol competition covered ten events—the softball throw, compass course, first aid, broad jump, obstacle course, three-legged race, hang the flag, basketball free throws, knot tying and barrel row.

The Hawk Patrol, led by Jim Austin, garnered the one blue ribbon for the Hamlin troop. Other patrol members attending were Carl Wade, Gordon Roberts, Mitch Lawlis, Jimmy Woods, Mike Byrd, Baron McMillen and Billy Hudgins.

The Steve Austin-led Bear Patrol which brought home a red ribbon included John Bill Maddox, Steve Campbell, Billy Bonds, Steve Reynolds and Ross Wilson.

Kevin Benningfield's Pedro Patrol of Bobby Wall, Johnny Cook, Dale Patterson and Dwaine Duncan also earned a second place ribbon.

Winning yellow ribbons were the Panther Patrol, led by Wendell Roberts, and the Roadrunner Patrol, led by Britt Cary.

Other Panthers were Craig Willis, Tim Hawkins, David Jordan, Mike Harper, Richard Williams, Kenneth Johnson, Bill Yeaman and Donald Williams.

Tony Wright, Johnny Chase, Todd Reynolds, Craig Cowan, Kerry Smith, Greg Young and Billy Howerton were the other Roadrunners.

Although the camporee was designed for the Southern District, Hamlin (a Northern District troop) joined the other 32 patrols from 17 other troops to increase the total attendance to nearly 400. Hamlin had the largest number attending even though many of the other troops were from Abilene and other larger towns.

When asked about participating in a Southern District Camporee, Mr. Ferguson replied, "They (the District Commissioners) know that they would have to lock the gate to keep Hamlin out of any campout. If there's a camporee anywhere near, we'll be there."

In addition to competing all day Saturday the scouts spent

two nights in tents, cooked their meals over a campfire, performed skits and led songs for the other troops during Saturday evening's awards ceremony and witnessed an Indian dance program staged by the Kotsio Lodge, Order of the Arrow dancers.

Exes Plan Window Decorating Contest

The Ex-Students' Association officers met Monday afternoon for a planning meeting for homecoming activities. Sam Mack Hodges, president, presided.

Ex-students are sponsoring a window decorating contest this year as a new feature for homecoming. The contest will include vacant building windows and business-occupied windows. Any civic club, school organization, business or individual may enter. Mrs. R. L. Goodgame Jr. is contest chairman. Anyone wishing to reserve a window for decorating or anyone having a window to decorate should enter by contacting Mrs. Goodgame by Oct. 8. Windows are to be completed by Tuesday, Oct. 12, and will be judged Saturday morning Oct. 16. The prizes will be \$25, \$15, and \$10.

Float entries may be entered in either open or beauty division. In the open division, judges will consider cleverness, originality and how well the theme is carried out. In beauty division, floats will be judged strictly on the most beautiful.

The theme prize will be awarded to the float best carrying out the theme. Floats may or may not have people riding on them. The theme for the parade is "Happy Days." Businesses and civic clubs are judged in one class and school classes and clubs are judged in another class.

First, second and third prizes of \$50, \$30 and \$20 will be awarded to the top floats in open and beauty divisions. Anyone wishing to enter a float in the parade should enter by calling O. H. Weaver Jr., parade chairman. He asks that all parade entries be at the football stadium Saturday morning at 10 a.m.

Mrs. Jim Bonds, chairman of the bicycle division, asks that anyone wishing to enter a bicycle in the parade call her at 576-2200. Riders should meet on the Church of Christ parking lot at 10 a.m. before the parade. Bicycle prizes are \$10, \$8 and \$6 for the best decorated bicycle.

The homecoming parade will be televised this year by KRBC-TV and will be shown on the Sunday night 10 p.m. news.

The Ex-Student Association urges everyone to join in this community effort to make this parade an outstanding one.
